Thanks to our Town Center Trail Sponsors

### THANKS PRIVATE LAND OWNERS!

We sincerely appreciate the private land owners who generously allow cross country ski trails on their land.

Granite agrees to use reasonable efforts to keep the Granite Park on the trails within the Easement. In addition, Granite shall educate Granite Park users using the Easement on what is a Permitted Use on the Easement, what is not permitted, proper trail safety and etiquette to reduce use impacts on the trail, reduce erosion and impacts to the environment and assist in trail maintenance. Granite shall also educate Granite Park users on the Easement during use of the Year-Round Easement outside of the Winter Season. The next Lone Granite prepares a new trail map reflecting the Easement, but no later than December 1, 2017. Granite shall include a legend on the trail map reflecting all persons using the Easement. That the Easement is not a permit to cut, remove, or damage any trees, shrubs, or other plants or animals, or to engage in any activity that would be a violation of applicable laws, rules, or regulations, including but not limited to, hunting, trapping, or interfering with Granite or Granite's guests.
